**ORIENTATION:** Prior trip departure you will receive a trip orientation.

**PARTNERSHIP:** All Jeep tours are hosted by High Country Jeep Tours of Buena Vista.

**WHAT TO WEAR:** The jeeps are open topped and at high altitudes the weather can change quickly. Be prepared for cooler temperatures and the occasional rain shower. We suggest you bring light layers to keep you warm. Sturdy shoes, not sandals, are recommended for walking around in the mountains.

**LIABILITY RELEASE:** Everyone will be required to sign a liability release form prior to trip departure. Youths not riding with their parents will need to provide a copy of our youth liability release signed by one or both parents. You can download a copy of our liability release from our website at [www.inaraft.com/pdf/high-country-jeep-tour-liability.pdf](http://www.inaraft.com/pdf/high-country-jeep-tour-liability.pdf)

**TIPPING:** Tipping is appropriate particularly if you have received exceptional customer service. If you believe that a tip is appropriate we recommend an average tip of \$5-10/guest/day. We always appreciate hearing from you so that we can recognize extraordinary customer service and we also appreciate hearing from you if you feel that there are areas that we can improve upon. We strive to exceed your expectations!

**ALCOHOLIC BEVERAGES:** We do not provide alcoholic beverages and alcoholic beverages are not permitted while on your ride. Guests who have been drinking will not go on the jeep tour and will not receive a refund.

**SMOKING:** Smoking is not permitted in the vehicles or in the National Forest.

**RESTROOMS:** There are restroom facilities at our office at the beginning and end of your trip. In St Elmo there is a primitive outhouse, taking you back to the 1800s. On Mt Princeton and Mt Antero there are no facilities.

**DAY GEAR:** Bring a small backpack or bag for all of your personal items.

**DRINKING WATER:** We provide each person with a 16-ounce bottle of drinking water. If you desire additional water, feel free to bring your own.

**ALTITUDE:** You will be traveling between 8,000 and 13,000 feet. Most people don't have serious problems at these altitudes however shortness of breath and dehydration are possible at these elevations. We recommend that you come a day or two early to acclimatize yourself if you can and drink plenty of fluids while you are here.

**COMMUNICATION:** We carry a cell phone, 40-channel CB radio, and a 2-meter ham radio for emergency communication. There is limited cell phone service on Mt Princeton and Mt Antero.

**CANCELLATION POLICY:** If you cancel more than 10 days prior to trip departure, we will refund all of your deposit less a \$5/person cancellation fee. If you cancel less than 10 days prior to trip departure, there is no refund. We reserve the right to reschedule, move or cancel any trip due to insufficient reservations.

**TRIP CANCELLATION INSURANCE:** If insurance is purchased, you may cancel up to 24 hours prior to your trip departure with no penalty. If you cancel within 24 hours but with at least one hour's notice we will give you trip credit in the form of a gift certificate good through the following season. Gift certificates cannot be extended beyond their expiration date. Cancellation insurance can be purchased at the time of your deposit for 10% of your trip total and is non-transferrable. Insurance does not cover no-shows.
