GUEST WEIGHT LIMIT: We have a weight limit on the horses of 250 lbs. If you weigh between 210-250 pounds, please let us know so we can have the appropriate horse ready for you. There is no weight limit for our wagon rides.

WHAT TO WEAR: At high altitudes the weather can change quickly, be prepared for cooler temperatures and the occasional rain shower. We suggest you bring light layers to keep you warm. Long pants and closed toed shoes are recommended as we are riding through bushes that can scrape up your legs and toes if they are not protected.

LIABILITY RELEASE: Everyone will be required to sign a liability release form prior to trip departure. Youths not riding with their parents will need to provide a copy of our youth liability release signed by one or both parents.

TIPPING: Tipping is appropriate, particularly if you have received exceptional customer service. If you believe that a tip is appropriate we recommend an average tip of \$5/guest/day. We always appreciate hearing from you so that we can recognize extraordinary customer service and we also appreciate hearing from you if you feel that there are areas that we can improve upon. We strive to exceed your expectations!

ALCOHOLIC BEVERAGES: We do not provide alcohol on our trips, and alcohol is not permitted while on the ride. Guests who have been drinking prior to their trip will not go on the tour and will not receive a refund.

DAY GEAR: Bring along a fanny pack to carry your small personal items. Do not bring backpacks as they can get caught on tree branches. We suggest you travel light.

DRINKING WATER: There is no drinking water at the stable or on the trip. You will need to provide your own drinking water.
