SEASONAL WATER LEVELS

The Arkansas River originates in the central mountains of Colorado, and the winter snows have a significant effect on seasonal water levels. As a result, we reserve the right to alter trip itineraries due to high water or low water to be sure you as our guest receive a quality raft trip that includes a similar level of whitewater excitement. Please feel free to contact our office if you have any questions or concerns about how seasonal water levels may affect your rafting reservation.

RESERVATION AND CANCELLATION POLICIES

CANCELLATION: If your group or any person in your group cancels their trip 10 or more days before departure, you will receive a full refund on your trip cost less \$5 per person. If your group or any person in your group cancels within 10 days prior to departure, for any reason, there will be no refund issued.

TRIP CANCELLATION INSURANCE: You may purchase insurances on your reservation for a minimal fee, approximately 10% of your trip cost. This is purchased PER PERSON, PER TRIP. If you choose to purchase insurance, you may cancel up to 24 hours before your trip departure with no penalty on my trip cost. If you cancel within 24 hours but with at least 1 hours' notice, we will issue you a gift certificate (rather than a cash/credit refund) that is good through the following season. Gift certificates cannot be extended beyond their expiration date. If you cancel within 1 hour, there is no refund. Insurance is nontransferable, nonrefundable and does not cover no-shows.

DRUGS & ALCOHOL: We do not permit the consumption of drugs or alcohol before or during any of our day trips. No refund will be given to those who are under the influence prior to their trip.

PREGNANCY: We do not allow guests that pregnant to participate in rafting.

LIABILITY RELEASES

Each person rafting will be required to sign a liability release form prior to trip departure. Each youth under the age of 18 years old will need a parent or guardian to co-sign their liability. You can print and complete a paper copy here: www.raftecho.com/files/EchoRelease.pdf

IMPORTANT TRIP INFORMATION

ORIENTATION: Prior to boarding your raft, you will receive a complete safety orientation.

TIPPING: Your guide is a trained professional and tipping is appropriate, particularly if you have received exceptional customer service.

NON-SWIMMERS: Many of our participants cannot swim, however, good physical condition and strong swimming skills must be considered if you are participating in a class V whitewater trip. We provide U.S. Coast Guard approved personal flotation devices designed to float you face-up in whitewater. Personal floatation devices are required to be worn at all times.

HELMETS: Helmets are required and provided on all Arkansas River trips.

DRINKING WATER: We do not carry drinking water on your raft. Please drink plenty of water before your trip.

PHOTOS: GoPro footage will be taken of each raft and will be available for purchase at the conclusion of your trip.

ALTITUDE: You will be rafting at 5700 feet above sea level. Most people don't have serious problems here, but shortness of breath and dehydration are possible. Come a day or two early to acclimatize yourself if you can. We recommend that you drink plenty of water during your stay.

8 MILE RESTAURANT: Great food and beverage available on location for your convenience. Open daily, serving breakfast, lunch and dinner.
