Dear Joe:

I want to tell you how wonderful our experience was rafting with your company. On Tuesday, seven of us spent the day rafting Brown's Canyon with Woody. We had a blast!

As a grand daughter of the founder of Adventure Unlimited, growing up I spent many summers rafting the Arkansas. I went into the day with Wilderness Aware thinking it would be very difficult to meet or beat my expectations, and your gang did it!

One of the guys on our boat, named Bob, has virtually no use of his legs. Your company gave us the best of the best in Woody, and he was phenomenal. The way that he looked out for Bob with respect and kindness and a keen sense of safety, touched us all.

We intend to come back year after year, and we will recommend your outfit to our friends as well. Please let Woody know how much we enjoyed spending the day with him.

With respect and admiration,

Jennifer Andrews
