To Whom It May Concern:

I had the pleasure of being the coordinator of a rafting trip that included about 65 people, ages 7 thru 75, of friends, family, co-workers and guests on July 31st of this year. It was a lot of work on my part but your people made it so much easier.

Every time I called a got courteous help and was always totally satisfied with my experience. I heard nothing but praise from the entire group about how smooth everything went and how nice and courteous the guides were on the rafts.

There is no question that I will use Wilderness Aware Rafting every time I come to Keystone Colorado. I will certainly recommend your company to anyone I know who will be joumeying in your direction. Again, thank you for everything you did to make our trip more enjoyable.

Sincerely yours,
