Attn: Jodi

Dear Jodi:

Just wanted to take some time to tell you how appreciative we at Camp Echo Lake are as a result of all the amazing rafting programs you have given our campers and staff over the years.

I think we may be going on 15 years or so working with Wilderness Aware and the reports continue to glow. Our campers and staff enjoy the trips, and feel very safe under the expert care of the Wilderness Aware staff.

Interestingly enough, one of our year-round staff told me the other day that we had received promotional material from some of your competitors and asked me if we should check them out. I said "no." Having Wilderness Aware as our rafting outfitter allows us to sleep at night when our campers and staff are on the river.

Thanks so much for all the great trips!

Warm Regards,

Tony Stein
