Dear Joe,

I am writing to let you know how wonderful it has been to work with Wilderness Aware over the past seven summers. I have worked with, and for, numerous whitewater rafting outfitters throughout the United States and Wilderness Aware pays the most attention to what kind of rafting experience the customer wants and more importantly what the customer thinks about his/her experience after the fact. Wilderness Aware works hard to develop a relationship with organizations; I have appreciated the annual newsletters, the evaluation summaries of our students compared to others and the check-ins from Jody.

The whitewater rafting component of our program has always been a highlight and credit needs to be given to Wilderness Aware and your staff. Your flexibility in scheduling has been critical to developing our program, as well as your willingness to accommodate our unique program goals. It has been wonderful to watch your company grow over the years, as well as receive numerous awards for your hard work.

I wish you the best of luck in the years to come.

Yours in Adventure,

Jennifer Payne
