IF YOU ARE FLYING TO ARIZONA: Meet at 3:00 pm at the airport on SATURDAY

Please keep your phone on! If flights end up arriving early, we MAY move that time up a little at the last minute.

- **WHERE TO MEET**

- **DELAYED OR CANCELLED FLIGHTS**

Immediately call the person listed as your pick-up contact- NOT THE OPERATIONS MANAGER!! There is a chance we can wait a few minutes for you. If it is a long delay you will miss the trip, or you will need to make your way to the river by 8 am the next day (2 ½ hour drive). You can try calling Avatar Shuttle Service at 480-233-3924 or an Uber/Lyft, but this can be expensive. You (or we) may have family or friends in Phoenix willing to help. You will need to meet here: <https://saltriverraftingarizona.com/whitewater-arizona-rafting-directions/>

AT THE CONCLUSION OF THE TRIP on THURSDAY:

We will bring you back to Phoenix Sky Harbor Airport via Globe and China Taste restaurant. We plan get you to the airport by 6 pm. Don't schedule a flight departure before 7 pm. If you choose to fly out on Friday, you are responsible for you own accommodations Thursday night. We recommend speaking with other participants on your trip to share lodging. Please choose lodging close to the airport to make it easier to drop you off.

Preparing for Your Trip

- **WE PROVIDE:** All rafting equipment including lifejacket, helmets, and a large waterproof storage bag for your personal gear. We also include all transportation to and from the river from Phoenix or Globe, all meals from breakfast on the first rafting day (Sunday) through lunch on the last day (Thursday). Lemonade and water are included with each meal.

- **WEATHER:** Daytime highs in the Sonoran Desert are typically mild with highs ranging from 45 to 75 degrees. Chances of rain or a late season cold (snow) front necessitate planning for a full range of weather conditions. Average lows are 25 to 45 degrees.

- **RENTAL GEAR:** If you do not have appropriate gear to wear and/or camp with on the river, it is not necessary to go out buy everything you need. *We strongly recommend wearing a wetsuit on your trip.* We offer you the same rental gear our guests use on the river for a discounted price. See rentals price to the right.

- **Do not bring drugs, alcohol or cigarettes with you.**
